BIPARTY AGREEMENT FOR SERVICE DELIVERY ON SENSITIZATION OF STUDENTS REGARDING HIV/AIDS

दिनांक-

14 JAN 2016

मुद्रांक वरिष्ठ लिपीक
कार्यालय, अकोला

DISTRICT AIDS PREVENTION & CONTROL UNIT, CIVIL HOSPITAL AKOLA.(DAPCU)

Memorandum of understanding (MOU)

Between

AND

SHRI SHANKARLAL KHANDELWAL COLLEGE AKOLA.

This Memorandum of Understanding is made on 21 day of Jan 2016 by and between

The District Program Officer, DAPCU (District Aids Prevention and Control Unit Civil Hosp. Akola)
Department of Health,

And

Department of Microbiology, Shri Shankarlal Khandelwal College, Akola.

Objective of the MOU: The general objective of the MOU is to sensitize student regarding HIV/AIDS related facts and realities. The MOU also sought to find out how education system can be integrated with prevention and control of HIV/AIDS. The main focus is to carry out sensitization of student

and give them exposure regarding practical applicability of knowledge for working in the field related of AIDS.

The specific objectives of the MOU:

- To enhance the awareness of the student regarding the burning problem of AIDS.
- To build a technical primary, secondary, tertiary and inter-institutional relationships to promote HIV/AIDS education among the youth/ students.
- To conduct various types of activities/competitions for deep percolation of the gravity of this problem in the students and thereby in the society.
- Breaking the silence and hesitation in youth about related issue of HIV/AIDS.

What to Do:

- i) Form Red Ribbon Club in college to conduct the activities.
- ii) Take one sensitization program per year for three consecutive academic session starting from 2015-16.
- iii) TOT program for the final year students for maximum utilization of Information, Education and Communication regarding HIV/AIDS by the DAPCU for three academic sessions starting from 2015-16 to 2017-18.
- iv) Scientific knowledge sharing and depth understanding of the subject through various activities like debates, poster competitions, seminar competitions, quiz etc. One activity will be carried out per year.

Responsibility of the DAPCU:

- i) Provide technical support to the institution.
- ii) Provide faculties for sensitization program.
- iii) To providing infrastructural and faculty support for TOT.
- iv) To provide certificates and prizes for the activities/competitions if state provides grant.

Responsibility of the College:

- i) Making the students available for participation in the sensitization and TOT program.
- ii) Provide healthy atmosphere for sensitizing student regarding HIV/AIDS.
- iii) Arranging at least one competitions/activity annually at college/district level.
- iv) Providing infrastructure and other facilities of the college for conducting the activities.
