Annual Report of Add-on Courses

Total 10 certificate courses were announced in our prospectus out of which only 3 courses were conducted. The courses were announced on the basis of students survey in academic session 17-18 . But 7 courses could not be run as there was no response from students mostly due to their financial constraints for remitting prescribed fees. The three courses Tally, Hardware and networking and Dress Making(Designing and stitching of ladies ware) were run at reduced fees without involving MCED . For computer courses MOU was signed with All India Council for Information Technology(AICIT). Total 3 new certificate courses were conducted as a result of new initiatives of staff members and DTP course of computer was conducted with minimum possible fees. The summary is given in following table.
