Godbole Plot, Dabki Road, Akola (MS)**

And

**2. Akola Industries Association,  
Plot No.P-25, Appu Square, MIDC, Akola. (MS)**

### Background

With the objective of imparting quality education to the underprivileged, socio-economic backward society of Akola, Shikshan Prasarak Mandal was established in 1957 under the strong leadership of late Shri Shankarlal Khandelwal alias Kakaji Khandelwal. In 1999, a momentous step in the golden journey of Shikshan Prasarak Mandal was the establishment of a senior college in the form of Shankarlal Khandelwal College of Arts, Science, and Commerce. Every year from K.G. to P.G. 6000 students are admitted. In the last 63 years, hundreds of generations of students have been contributing to various fields of studies and thus contributed to the society. The college has 11 Research centers, 19 supervisors and 32 students are currently pursuing Ph.D. in various domains. To date, 21 Minor Research Projects and 2 Major research projects have been completed. The college has conducted 19 national conferences and 2 International conferences, various career-oriented courses, add-on courses, and a certificate course on Swami Vivekananda Philosophy are conducted in college for the all-inclusive development of our students and staff.

Department of Commerce is conducting various activities for students and teachers. Department has successfully organized UGC Sponsored Two Day National conference on, "Need of Commercial Management for the people of Arts and Science" and One International conference on, "Innovations and challenges for Science, Technology and Social Science". UGC Sponsored Minor Research project title as "An analytical study of investment pattern of Individuals in Akola District" is also completed. Research on different topics by faculty and students is undertaken throughout the year. Various activities for developing different skills among students are conducted throughout the year such as group discussion on current issues, seminars, presentation competition, and industrial visits.

### Purpose

Purpose of this Memorandum of Understanding is

- To develop understanding and co-operative working relationship between both the above institutions for establishment of Industrial relations through interactions, visits, Industrial training programmes, interactions with the industrialist in Akola District .

- To arrange various programmes for sharing knowledge regarding industrial development and To prepare the students to cope with the new challenges, opportunities in the field of industry.

The above goals will be accomplished by undertaking the following activities:
