

Add-on course and entrepreneurship development Committee
MOU related Work
Report 2018-19

MOU was signed in March 2018 with Maharashtra Centre for Entrepreneurship Development (MCED) for undertaking courses that have entrepreneurship potential. Various courses were announced such as computer courses like hardware and maintenance, DTP as well as other courses like bakery Rexine and cloth bag manufacturing designer dress making etc. As a part of this MOU following activity was undertaken.

Guest lectures cum counselling sessions of MCED project officer Anil Patil were organized on 25th and 28th August 2018 for morning shift and noon shift for preparing the mindset of students to enroll for the courses planned in collaboration of MCED. However there was no response from students and no course could be run in collaboration with MCED due to mostly the financial problems of students.
