Principal 's Desk...

I welcome you all dear students on behalf of Shankarlal Khandelwal College, Akola. At the very outset, I would like to introduce our college to you. The college is run by Shikshan Prasarak Mandal, Akola which was established in 1958 with aim of catering the needs to unprivileged and under-privileged sect of the society from socio-economically backward area of the city. The main aim of the society is to provide value based education with quality .The college has three streams viz Arts, Commerce & Science i.e. B.A, B.Com. and B.Sc. In addition to it, the college runs courses like B.C.A., and certificate courses to fulfill the professional needs of the society. Besides this, for over all development of the students, we run the activities like NSS / Sport / NCC / Cultural programme, Vivekanand Study Centre, etc.

The college also has P.G. Degree courses like M.A. (English), M.Sc. (Chemistry), M.Sc. (Computer Science) M.Sc. (Micro.) and M.Com. to fulfill the needs of students for post graduation. Our College is now recognized as a research centre for Ph.D. in 12 subjects and has 20 Ph.D. supervisors in different subjects. With U.G.C.'s assistance, the college runs some skill based courses like Biomedical Instrumentation, Communication Skills in English & Banking and Insurance. For all round development of students, the college runs U.G.C. schemes like SC, ST coaching centre, Entry in services cell, Equal opportunities centre, Network resources centre, etc. The college has also made available 'Women's Hostel' facility and sports facility to students along with well furnished Gymkhana. Thus, the college leaves no stone unturned to make different Govt. schemes available to the student fraternity.

Last but not the least, I would like to mention here that the college is permanently affiliated to Sant Gadge Baba Amaravati University, Amravati and has 2(f) & 12 (B) status of U.G.C. Besides this, the college is re-accredited by NAAC with grade 'A', CGPA 3.01 in third cycle.

Thus, I would like to appeal you to join us in this noble task of Nation building with humble motto of 'Education for life and Life for Nation'. I assure you that we together will definitely achieve the goals, you aim at, and fly high on the horizon of this great democracy !

Dr. J.M. Saboo
Principal

भाग २ - सेमिस्टर - ३ व ४

NEP 2020 नुसार अभ्यासक्रम लागू राहील.

भाग ३ - सेमिस्टर - ५ व ६

आवश्यक विषय : इंग्रजी, मराठी / संस्कृत.

वैकल्पिक विषय : मराठी साहित्य, इंग्रजी साहित्य, अर्थशास्त्र, राज्यशास्त्र, इतिहास, समाजशास्त्र, गृहअर्थशास्त्र, संस्कृत साहित्य.

Bachelor of Science (B.Sc.)

COMPUTER SCIENCE

B.Sc. Part I & II *(New Syllabus as per NEP 2020.)*

Subjects : Chemistry, Microbiology, Zoology, Computer Science, Physics, Mathematics, AEC (English), AEC (Marathi), SEC (Skill Enhancement Course), VSC(Vocational Skill Course), OE1 (Open Elective 1), OE2 (Open Elective 2) IKS (Indian Knowledge System), CC (Cocurricular)

Paper III - As per NEP Syllabus 2020

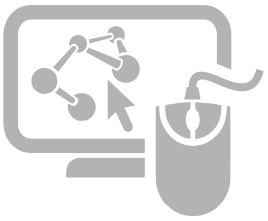
Paper IV - As per NEP Syllabus 2020

B.Sc. Part III - Semester V & VI :1) Physics 2) Mathematics 3) Computer Science

Paper V - Relational Database Management System : Fundamentals of DBMS, RDBMS, Database Models, Relational Model, Introduction to SOL, Data types, Creating tables & Views, Operators & Conditions DDL commands, Functions, Cursor, PUSOL.

Paper VI - Visual Basic : Introduction, Programming Process, Event, Driven programming, VB Environment, Toolbox Controls, Creating Menus, Internal Functions, Dialogbox Controls, Working with forms, Working with Files.

Note : As per Government & University Guideline, NEP - 2020 is going to be impliment from A.Y. 2024-25. Thus, it will be conveyed to students as soon as it will be received from the university.



MICROBIOLOGY GROUP
B.Sc. Part I - Semester I & II

New Syllabus as per NEP 2020 : Chemistry, Zoology, Microbiology, GOEC, IKS, SEC

B.Sc. Part II - Semester III & IV
Subjects : As per NEP Syllabus.

B.Sc. Part III - Semester V & VI
Subjects : 1) Chemistry 2) Zoology 3) Microbiology

Bachelor of Commerce *(Marathi / English Medium)*

Semester Pattern
Duration : 3 Years **Intake Capacity :** 120 (Marathi Medium) & 100 (English Medium)

B.Com. I
Semester I & Semester II
New Syllabus as per NEP 2020 **:** Financial Accounting, Indian Contract Act, Dynamics of Management, Micro-Economics, Introduction to Share Market, Introduction to Accounting, Computer Skills, AEC, IKS, VEC

Semester III & IV
New Syllabus as per NEP 2020.

Semester V & VI
1) Marathi 2) English 3) Business Regulatory Framework and Company Law
4) Business Environment 5) Cost and Management Account
6) Internet and World wide Web 7) Essentials of E - Commerce

Note : The student must offer the same subject from optional subjects which she/he had already offered for B.Com. I Examination.

Bachelor of Computer Application (B.C.A.)

The BCA department was established in 2001. This course is affiliated to S.G.B. Amravati University, Amravati. The department has well furnished class rooms with DLP projector, well-equipped computer lab with broadband and leased line facility. The Department also actively participates in research activities & allot research projects to students. Students of BCA are placed in reputed IT Companies like IBM, Cognizant, Wipro, etc.

Duration : 3 Years **Intake Capacity :** 120

Semester - I
Mathematics Foundation to Computer Science (101CC10)
Problem Solving Using C (101SEC101)
Computer Architecture (101CC102)
General English - I (101AEC101)
Indian Knowledge System (101MDE101)
Environmental Science and Sustainability (101VAC101)

Semester - II
Object Oriented Programming using C++ (101CC103)
Data Structures (101CC104)
Operating Systems (101CC105)
Web Technologies (101SEC103)
Object Oriented Programming using Java (101SEC102)
Indian Constitution (101VAC102)

Semester - III
Probability and Statistics (101CC201)
Database Management System (101CC202)
Python Programming (101SEC201)
Software Engineering (101CC203)
Feature Engineering (101DSE201)
Basics of Data Analytics using Spreadsheet (102DSE201)
Yoga and Physical fitness / Sports / NCC / NSS / Disaster Management (101LabVAC201)

Semester - IV
Entrepreneurship and Startup Ecosystem (101CC 204)
Computer Networks (101CC205)
Design and Analysis of Algorithm (101CC206)
Artificial Intelligence (101CC207)
Introduction to ML (101DSE202)
Data Visualization (102DSE202)
Design Thinking and Innovation (101SEC202)

Semester - IV
Computer Graphics (5BCA1)
Android Application Development (5BCA2)
Fundamental of Data Science (5BCA3)
Software Engineering (5BCA4)
Blockchain technology (5BCAOE1)
Cyber Security (5BCAOE2)
Power BI (5BCAOE3)

Semester IV : Paper I - History of English Literature Paper II - Critical Theory Paper III - Colonial & Post Colonial Literature Paper IV - Literature and Gender

M.Sc. in Chemistry

M.Sc. Chemistry is an important course for pharma, drug, dyes & paint industries. M.Sc. Chemistry is a prominant subject for the jobs in the current era. The curriculum of the course can meet the need of industrial sector and research.

Duration : 2 Years **Intake Capacity :** 20

Course Content : Course Consist of 4 Semesters, There are 4 theory papers & 2 practicals in each semester and one project in final semester.

Part I - Semester - I :
1) Research Methodology & IPR in Chemistry 2) Structural Inorganic Chemistry 3) General Organic Chemistry
4) Physical Chemistry-I 5) Inorganic/Organic/Physical/Analytical/Industrial Chemistry 6) Organic Chemistry Lab
7) Physical Chemistry Lab

Semester - II :
1) Physical Chemistry II 2) Coordination Chemistry 3) Basic Analytical Chemistry
4) Inorganic/Organic/Physical/Analytical/Industrial Chemistry 5) Inorganic Chemistry Lab 6) Analytical Chemistry Lab

Part II - Semester - III :
1) Spectroscopy I 2) Analytical Chemistry (Thermal & Electronalytical Method)
3) Organic Chemistry (Organic Synthesis I) 4) Organic Chemistry (Natural Product) I 5) Practical V & VI

Semester - IV :
1) Spectroscopy II 2) General Analytical Chemistry 3) Organic Chemistry (Organic Synthesis II)
4) Organic Chemistry (Natural Product II) 5) Practical VII & VIII Project Work

M.Sc. in Computer Science

M.Sc. Computer Science is a two year Post-graduation programme with the objective to develop advanced programming skills and strategies to solve various logical challenges using different programming languages. This course focuses on developing software and networking based skills.

Duration : 2 Years **Intake Capacity :** 30

Course Content : Course Consist of 4 Semesters, There are 4 theory papers & 2 practicals in each semester and one project in final semester.

Part I - Semester - I :
1) N1 MCS 1 - Research Methodology and IPR 2) N1MCS2 - Computer System Organization 3) N1MCS3 - Data Structure with OOP 4) N1MCS4 - Database Management Technologies 5) N1MCS5(1) - Compiler Construction / MOOC 6) N1MCS5(2) - Software Testing / MOOC 7) N1MCS5(3) - SOftware Engineering / MOOC 8) N1MCS6 - Lab Programming (C/C++/Java/ALP) based on 2,3 9) N1MCS7 - Lab SQL/DBMS tools, MSsql, MySql based on 4 10) N1MCS8 - Lab based on DSE I (1)/DSE-I (2)/DSE-I(3)/MOOC Lab** 11) N1MCS9 - #On Job Training, Internship/Appreciceship; Field projects related to Major@during vacations cumulatively 12) N1MCS10 - Co-curricular Courses : Health and wellness, Yoga Education, Sports and Fitness, Cultural Activities, NSS/NCC, Fine/Applied/Visual/Performing Arts During Semester I,II,III & IV

Semester - II :
1) N2MCS1 - Operating System Alogrithms 2) N2MCS2 - Graphics Application Programming 3) N2MCS3 - Computer Network & Wireless Technology 4) N2MCS4(1) - IoT / MOOC 5) N2MCS4(2) - Mobile Computing / MOOC 6) N2MCS4(3) - Data Mining Data Warehouse/MOOC 7) N2MCS5 - Lab Programming (C/C++/Java) based on 1 8) N2MCS6 - Lab Graphics Application Programming based on 2 9) N2MCS7 - Lab based on DSE II (1)/DSE-II (2)/ DSE-II(3)/MOOC Lab**
10) N2MCS9 - #On job Training, Internship/Apprenticeship; Field projects related to Major@during vacations cumulatively.
11) N2MCS10 - Co-curricular Courses : Health and wellness, Yoga Education, Sports and Fitness, Cultural Activities, NSS/NCC, Fine/Applied/Visual/Performing Arts during Semester I,II,III and IV.

Part II - Semester - III :
1) N3MCS1 - Artificial Intelligence and Machine Learning 2) N3MCS2 - Web Computing 3) N3MCS3 - Design and Analysis of Alogorithms. 4) N3MCS4(1) - Distributed Computing / MOOC 5) N3MCS4(2) - Network Security / MOOC 6) N3MCS4(3) - Theory of Computation/MOOC 7) N3MCS5 - Lab LISP/Prolong/Python based on 1 8) N3MCS6 - Lab HTML/J5/CSS/.net/PHP based on 2 9) N3MCS7 - Lab based on DSE III (1)/DSE-III (2)/DSE - III (3)/MOOC Lab** 10) Research Project Phase-I
11) Co-curricular courses : Health & Wellness, Yoga Education, Sports & Fitness, Cultural Activities, NSS/NCC, Fine/Applied/Visual/Performing Arts during semester I,II,III and IV.

Semester - IV :
1) N4MCS1 - Cloud Computing 2) N4MCS2 - Big Data 3) N4MCS3 - Block Chain Technology 4) N4MCS4(1) - Entrepreneurship Development / MOOC 5) N4MCS4(2) - Cyber Security / MOOC 6) N4MCS4(3) - Data Science and Analytics / MOOC 7) N4MCS5 - Lab Cloud computing and Big Data based on 1,2 8) N4MCS6 - Lab Block Chain based on 3 9) N4MCS7 - Lab based on DSE IV(1)/DSE-IV (2)/ DSE-IV (3) / MOOC Lab.** 10) Research Project Phase - II 11) Co-curricular Courses : Health & Wellness, Yoga Education, Sports and Fitness, Cultural Activities, NSS/NCC, Fine/Applied/Visual/Performing Arts during semester I,II,III and IV.

M.Sc. Microbiology *(New Syllabus as per NEP 2020.)*

Duration : 2 Years **Intake Capacity :** 80

Semester - I :
1. Research methodology and IPR in Microbiology 2. Microbial and Analytical Techniques
3. Microbial Enzymology and Enzyme Technology 4. General and Clinical Biochemistry /Microbial Metabolism
5. Environmental Microbiology 6. Practical I Analytical techniques and Enzymology
7. Practical II Environmental Microbiology Metabolism and Clinical Biochemistry

Semester - II :
1. Microbial Diversity and Molecular Taxonomy 2. Pharmaceutical Microbiology 3. Microbial physiology and Photosynthesis
4. Applied Microbiology for Agriculture and Environment 5. Practical III Microbial Diversity and Pharmaceutical Microbiology
6. Practical IV Microbial Physiology Plant Pathology and Applied Microbiology

Semester - III:
1. Advances in Biotechnology & Nanotechnology 2. Food & Fermentation Technology 3. Clinical Microbiology
4. DSE I Virology DSE II Fungal & Algal Biology 5. Practical - V Paper IX & Paper X Based [LAB-V], Advances in Applied Microbiology
6. Practical - VI Paper XI & Paper XII Based [LAB-VI], Clinical Microbiology & Virology.

Semester - IV :
1. Molecular Biology & Microbial Genetics 2. Immunology & Haematology 3. Microbial Technology
4. DSE I: Ethics & Biosafety in Microbiology & Biotechnology DSE II: Biostatistics & Bio infrmatics
5. Practical - VII Paper XIII & PAPER XIV Based[LAB-VII] Microbial Genetics, Immunology & Haematology
6. Practical - VIII Paper XV & Paper XVI Based [LAB-VIII] Biosafety, Biostatistics, Bioinformatics & Microbial Technology.

M.Com. *(New Syllabus as per NEP 2020.)*

Semester - I :
1) Managerial Economics 2) Servical Marketing 3) Research Methodology & IPR
4) Advance Lost Accounting 5) Banking and Insurance

Semester - III :
1) Organisational Behaviour & Development 2) Computer Application in Business
3) Accounting for Managerial Decision 4) Strategic Management

Ph.D. Research Centre

Our College is recognized as Ph.D. Research Centre for pursuing Ph.D. course work in subject Microbiology, Home Economics, English, Zoology, Physics, Marathi, Sociology, Sanskrit, Political Science, Commerce, Physical Education & Sports. Besides this, we have recognized Ph.D. Supervisors in 12 Subjects.

English	:	Dr. J.M. Saboo, Dr. D.V. Thote	Marathi	:	Dr. S.N. Nagre, Dr. S.G. Kakade
Sociology	:	Dr. N.S. Sarap	Chemistry	:	Dr. P.S. Pande, Dr. V.D. Mane, Dr. M.O. Malpani
Microbiology	:	Dr. A.R. Deshpande, Dr. D.D. Bhokare	Zoology	:	Dr. P.S. Dhabe, Dr. M.V. Shirbhate, Dr. N.V. Warade
Physics	:	Dr. S.K. Devade	Physical Education & Sports	:	Dr. C.B. Kadu

UGC has sanctioned some career-oriented courses.
These add-on courses can be opted by the students along with conventional degree programmes.

Biomedical Instrumentation

The course contains operations and maintenance of medical devices. This course is a concurrent course which can be done with any other degree course of science stream.

There is a three tire structure of Course
1) Certificate course in Biomedical instrumentation - One year.
2) Diploma course in Biomedical instrumentation - Two year.
3) Advanced Diploma Course in Biomedical instrumentation - Three year.

Eligibility : H.S.S.C Science Pass / B.Sc. appearing **Intake Capacity :** 40

Scope : Jobs in Private / Government hospitals and Medical Field.

Communication Skills in English

To develop the communicative skills of students of graduation for good Job opportunities in different sectors.
1) Certificate Course in communicative skills in English - I year of graduation.
2) Diploma Course in communicative skills in English - II year of graduation.
3) Advanced Diploma Course in communicative skills in English - III year of graduation.

Eligibility : Graduation appearing **Intake Capacity :** 40

Scope : Jobs in Media houses, Journalism, Radio Jockey, Call Centre, BPO, Marketing, Private & Public Sector. Excellent communication skills are required for each and every job.

Insurance & Banking

Insurance & Banking is gaining a very extensive recognition both in private and public sector in business world. This course aims to equip students with the in-depth knowledge and best practices that are essential for working in the Banking and Insurance industry.

1) Certificate course in Insurance & Banking - One year.
2) Diploma Course in Insurance & Banking - Two year.
3) Advanced Diploma Course in Insurance & Banking - Three year.

Eligibility : B.Com. appearing **Intake Capacity :** 40

Scope : Jobs in Insurance company / Banking Sector, Private & Public Sector.

Add - on Skill Development Courses *(Empowered Youth - Empowered India)*

Skill development is considered as a thrust area having prime importance in the field of higher education. Government policies are focused on development of Need Based Skills to solve the problem of unemployment of educated youth in our country. Similarly enhancement of values, soft skills and life skill are also the need of the hour to fulfill the dream of empowered India. Considering the importance of skill development, the college is proceeding with the vision that each student admitted in the college should get training in at least one skill in addition to the course for which he/she is admitted in the college. From academic session 2018-19, our college has decided to run following skill development certificate courses. Students are advised to select atleast one add-on course per academic session so that along with completing regular degree program they will be empowered with additional skills which will give them additional qualification in the same duration of regular courses.

List of Add-On Courses

Name of the Course	Department
Aquarium Set up and Maintenance	Zoology
Hardware and Networking	B.C.A. & Comp. Sci.
Designing Solar System for Home	Physics
Certificate Course in Applied Sociology	Sociology
Microbiological Quality Control	Microbiology
Food Adultration Testing	Chemistry
Life Skills for Self Empowerment	Swami Vivekananda Studies Centre
Analysis and Management of Investments	Commerce
Certificate course in Event Management	Home Economics
मुद्रित शोधन	मराठी

IQAC

The college has IQAC cell for maintaining the Internal Quality and monitoring the development of the college. All the stake holders are united under IQAC have regular meetings, which plans for every year and execute it accordingly in order to maintain high standards in every department. The AQAR report of the same is communicated to NAAC Bangalore every year so that it should be considered for next cycle of the NAAC.

Sports

“Sports is human life in microcosm” Our students have achieved good positions in the realms of sports. We have an independent Department of Sports to develop the sportsman spirit and liking towards different sports. Various sports facilities are made available. A Special Gymkhana service is also in place for faculty and students. Every year our sportsmen grab colour coats in different sports. We organise various sports events around the year and even university level matches and tournaments are also arranged.

Library

A Library is the 'Brain' of an institution, thus, we have state of the art library which caters the intellectual needs of our students and staff. A well stocked and well furnished library has various e - resources, Journals, Periodicals, etc. It has multimedia resources too, like audio and visual CDs and digital dictionaries. The total number of books in the library is over 17,816 along with Network resource Centre, OPAC and SOUL software. For faculties it provides INFLIBNET service as well. Various books for competitive exams like M.P.S.C. and U.P.S.C. Bibliographic and reference books apart from the textbooks, Reprographic service are the main features of the library.

Laboratories

We have state of the art laboratories for various subjects to boost up the research and development in the college and imbibe scientific research attitude amongst the students of UG & PG Courses. These Laboratories are equipped with latest equipments and technologies like PC based Double Beamed Spectrophotometer, Trainacular Stereozone Microscope, Centrifuge Machine, Muffel Furnace, Universal Hot Air Oven, 4 Probe Instruments etc. The Microbiology Laboratory is authorised & recommended Laboratory for Doctoral Research.

Alumni Association

We look back with pride to our jewels through the Alumni Association. It functions to maintain liaison with our students and to invite them to their alma mater every year. A separate cell is dedicated for this which enables the students to meet once in a year to promote and foster mutually beneficial interaction between the alumni, management and present students. These jewels are our true treasure which is shining brightly in various sectors & fields. Alumni and parents interaction is also in place. A state level Elocution competition 'SPANDAN' is organized every year where orators from all over the state participate.

College Magazine : 'Emerging India'

We provide a forum for students in the form of a college magazine to develop a creative and analytical mind. It encourages students’ talent to write poems, short stories & articles on various current topics. The magazine is published annually.

Women's Hostel

Home Away from Home! We offer Women's Hostel Facility 'MATRUMANDIR' to the students who seek admission to granted courses. Girl students from U G courses are provided with the hostel facility. The enrolled girl students of our college are eligible for admission in the hostel. The admissions take place on state government reservation criteria and merit basis. The intake capacity is 30 students.

Career Guidance, Counselling & Placement Cell

Along with the academic and administrative processes in a college, Career and Counseling Cell has been formulated every year to address the diverse socio-economic challenges and geographic backgrounds of the heterogeneous population of students. Career and Counseling Cell would help the students with appropriate guidance to establish linkages with the world of work and locate career opportunities. The college has a separate placement cell for the employment of the students in various organizations and companies of repute. The cell conducts the aptitude test of the students to identify their abilities and interests. The cell communicates with various companies for the campus interviews in the college. Till date more than 30 companies have conducted the campus interviews in the college premises and number of students have been placed in various companies and have been selected for the final interview. The cell had also organized an “Education–Industry Interface” to seek the advice from the company officials and also make the students aware about the current trends in the corporate sector. Special attention for SC/ ST/ OBC/ Minorities students is given for entry in services. Various guest lectures, seminars and workshops are organized.

Study Clubs

In order to update and equip with the current knowledge in various subjects/ streams study clubs are formed. For instance, Science Study Club, Social Sciences Study Club, Languages and Literature study Club, etc. Through these study clubs students run various activities like wall paper magazine, guest lectures, elocution competitions, group discussions, etc.

Swami Vivekananda Studies Centre

Under UGC's XI plan scheme 'Epoch Making Thinkers of India', our college has started 'Swami Vivekananda Studies Centre'. To imbibe the philosophy of Swami Vivekananda, the centre runs certificate course, arranges guest lectures, workshops, seminars, study tours throughout the year. It has its own independent library having various books on Swami Vivekananda's life and philosophy.

Remedial Teaching Centre

This centre has been established under the scheme of UGC. Slow learners from all classes are benefited by this. After the completion of the syllabi special efforts and sessions are taken for slow learners for SC/ST/OBC and minorities. 'Bridge Courses' are also offered at the beginning of the session for smooth shifting from Junior college to Senior college.

Amenities...

Internal Complaint Committee (ICC)

According to Act 2013 (Prevention, Prohibition and redressal of sexual harassment of women employee & students) in higher educational institution and according to the UGC regulation, 2015 the college has formed the ICC. This committee has been formed to solve the grievances and problems of students, teaching and non-teaching staff in their day to day business in the college. At the beginning of the new session, a notice regarding the working of ICC is displayed on the notice board. Also a complaint and suggestion box is placed in the college premises. Monthly meetings are arranged & necessary actions are taken. In an effort to promote the well-being and to maintain dignity of all women at workplace and to avoid any kind of abuse which is a criminal offence and violation of human rights standard, this committee has been formed to solve the problem of sexual harassment of female students as well as teachers in their day to day businesses in the college.

Anti-ragging Committee

According to the UGC guidelines April, 2009 the college has formed 'Anti-ragging committee' to solve the problems about ragging of students in their day to day businesses in college.

Samajik Janiv Jagruti Samiti (SJJS)

Along with other committees of the college we have a special committee called Samajik Janiv Jagruti Samiti in order to sensitize students towards the social issues being faced today. It runs two schemes for need based and promising students.
1) Students' welfare Scheme - It supports the academic needs of economically weak but promising students. The scheme is in practice since 2013-14 till date 57 students have been benefitted by this. ***2) Earn and Learn Scheme -*** This provides support to earn while learning. The skill based programmes, trainings will be organized by the department. Actual work of this scheme will start from this session.

Equal Opportunity Centre

The motto of this centre is to provide guidance and counseling with respect to academic, financial, social and other matters and to enhance diversity on the campus. The centre works for the disadvantaged groups such as SCs, STs, girl students and handicapped students to bring them in the main stream of education. The information of different government policies, scholarships, etc. is given under this cell.

Students Mentoring

Every class is provided with mentors. These mentors guide and counsel the students for their overall development. Regular meetings are organized for the mentees where special attention to individual is ensured.

Yog Mandir

"Yoga is the journey of the self, to the self and through the self". To make this journey smoother, we provide state of the art Gymnasium called 'Yoga Mandir' where students are motivated to practice yoga and physical fitness is emphasised.

Skill Enrichment Centre

In the college primises, parent society: Shikshan Prasarak Mandal, Akola has established a 'Block Printing Training Centre' in collaboration with Aadya's Artisant. It provides a short-term course which aims to provide initial training in Fabric block printing and painting. The short-term course helps students in Entrepreneurship skills development and self-employment.

A WORD OF ADVICE TO OUR STUDENTS

1) Remember you are laying the foundation of your career and shaping your personality by what you think, speak and do in the college.
2) You should cultivate such habits which will keep you physically fit and mentally alert
3) Do not cultivate friendship with undesirable contemporaries for you are known by the company you keep.
4) Be honest, upright and straight forward in your dealings.
5) Have respect for all your classmates and other college students. Remember all students are equal in the college. Be respectful to lady students in your class, treating them as your sisters.
6) If you are intelligent, let your classmates be benefitted by your intelligence.
7) Study regularly and earnestly right from the very beginning of the session. Study yourself, consult your teachers for solving difficulties in study, if you have any.
8) Take down as much of what your teachers write on the board. While studying at home do enough written work as writing makes your ideas clear and prepares you to take examination with confidence. Try to complete your practical record book in the class itself sa far as possible.
9) Pay full attention to what the teacher delivers in the class, study all the topics given in the syllabus and do not make selective study as this leads to frustration in the examination. See if you can write answers to questions asked in at least three years university examinations.
10) Do the home assignments regularly, seriously and independently and take monthly and test examination seriously so that success in the university examination is guaranteed.
11) Utilize every minute of your leisure well. Always use polite language.
12) Attend all college functions arranged for you.
13) In your words, writing and actions, show highest respect for your teachers and the college staff. Learn to live for others. Develop good personality.
14) Look after the safety of yout things yourself so that you have no occasion to complain for the loss of personal property.
15) Follow dress code, wear neat and clean uniform. Your dress is a clue of your training at home and of personality.
16) Seek every opportunity to render social service and develop your personality.

संत गाडगेबाबा अमरावती विद्यापीठ विद्यापीठ गीत

विद्या चिंतन । विद्या मंथन ।। विद्या सर्जन । विद्या जीवन ।।

जनमन जागर, करीत निरंतर, विद्यापीठ चाले ।
संत गाडगे बाबा तुमचे स्वप्न पुर्ण झाले ।।
कुणी न आता खुळे अडाणी, ज्ञानासह विज्ञान कळाले
पर्णकुटीतील प्रतिभेलाही , आभाळाचे पंख मिळाले
दशसूत्राचे अक्षर अक्षर, वेद नवा बोले ।।१।। जनमन ...

किती रंजले, किती गांजले, किती आंधळे लुळे पांगळे
कर्मयोग निष्काम आचरुन, कवेत घेता बांधव सगळे
भूतदयेच्या ओलाव्याने, मानस मोहरले ।।२।। जनमन ...

धर्म जातीच्या पलिकडेही माणूस केवळ माणूस असतो
भेदभ्रमांचे बंध तोडूनी मानवतेचे पूजन करतो
पिढ्यापिढ्यांचे जीवन दर्शन विश्वात्मक झाले ।।३।।
जनमन जागर, करीत निरंतर, विद्यापीठ चाले ।।

Vision

We strongly believe in molding students into ideal, responsible and productive citizens dedicated to Nation. While imparting need based education, we enrich core values like nationality, honesty, quality, rule following and cleanliness. The same, we cherish through our aims and objectives.

Mission

Establishment and function of the college are aimed at achieving national goal. This is not a mere act of social service, rather a task dedicated towards a national duty. We believe that proper education can develop cultured, intellectual, self-reliant students committed for nation. Keeping students at focal point, the institute chalks out its policies. The institution has a firm belief that students have tremendous potential. If it is channelized in right direction, we can find solutions to many a problems.

Let us join together in our humble endeavor of drawing our Godly students in the national stream so as to take India at the highest pinnacle of glory in the world.

Our Objectives

- To hone the students with quality education.
- To make the educational opportunities available to unprivileged and under-privileged section of the society.
- To channelize the students' potential in nation building.
- To inculcate need based skills among students.
- To make the students capable of facing the challenges in present scenario by providing the knowledge of latest technology and scientific attitude.
- To emphasize on values such as nationality, honesty, quality, adherence to rules and cleanliness for development of high standards of morality.

संकल्प की ओर...

इस महाविद्यालय का निर्माण एवम् शुरुवात एक राष्ट्रीय संकल्प पूर्ती के लिए किया गया है । यह केवल जनसेवा का कार्य नही है, बल्कि यह राष्ट्रीय कर्तव्य को समर्पित कार्य है । सक्षम विद्यार्थी समर्थ भारत का निर्माण कर सकता है । शिक्षा द्वारा सुसंस्कारित, चरित्रवान, बुद्धिमान, स्वाभिमानी एवम् राष्ट्र के लिए समर्पित विद्यार्थी निर्माण किया जा सकता है ।
