Following remarks were received for the question- Any specific facility that you need on campus for carrying out research work and suggestions -

- Some books related to Marathi Gazal.
- Molecular work-related machineries.
- Related Research books should be available in the library.
- Old thesis should be made available.
- An updated list of research works and theses in all universities should be available. Theses should be available in e-content.
- Digital Library related to Research Subject.
- Genomic level Laboratory.

Feedback from Manoj M. Andhare Joint Director, Technical Education, RO, Amravati

1) Institute provides High Quality Education to students from KG to PG as 28 out of 30 Teaching Faculties are PhD holder.

2) Even 3 non-teaching staffs are also PhD holder.

3) Gross Enrolment Ratio of Girls in Institute was observed above average which is very much appreciable.

4) Management is constantly working for welfare of student and staff.

Finally I conclude with following remarks :-

As the Joint Director of Technical Education Amravati Region, I had the opportunity to closely observe the functioning and values upheld by this esteem Institute. The Institute is inspired by the ideology of the Rashtriya Swayamsevak Sangh (RSS). I am pleased to note that the institution has been consistently working towards the holistic development of students by nurturing discipline, integrity, cultural pride and a strong sense of social responsibility. The Institute's commitment to value-based education, character-building and nation-first thinking is commendable. Students associated with the institution demonstrate remarkable moral strength, dedication towards society and a disciplined lifestyle - all of which are reflections of the institution's positive influence. I extend my best wishes to the institution for its continued efforts in shaping responsible, capable and culturally rooted citizens of the nation.

– Manoj M Andhare Joint Director,

Technical Education,

RO, Amravati
