REPORT OF CAREER GUIDANCE AND PLACEMENT CELL

2021-2022

Introduction:

The Career Guidance and Placement Cell in Colleges has been formulated to address the diverse socio-economic challenges and geographic backgrounds of the heterogeneous population of students coming to the Colleges vis-à-vis equity of access and placement opportunities through availability of appropriate institutional support information. Linguistic differences and cultural gaps among students also call for the setting up of placement cells. Availability of relevant and accessible information coupled with professional guidance to utilize the same can result in better career achievements outside the classrooms and help in the healthy progression of students.

Objectives:

- To prepare the information of job opportunities in different sector.
- To register the students for different job opportunities according to their qualification and likings.
- To facilitate the students for concerned jobs.
- To provide career guidance about avenues open after graduation.
- To provide training & placement process awareness to first year students.
- To planning & organizing various placement drives in campus.
- To build the bridge between industry & academia.
- To finding, informing & managing pool placement drives.
- To guide and counsel the students about their career.
